## TOOLBOXES THAT GET THE JOB DONE

All toolboxes are not created equal. Designed and engineered to handle up to 250 lbs.\* of storage, toolboxes by UWS® and Chevrolet Accessories are made from commercial-grade aluminum to withstand virtually anything you throw at them or in them.

### SINGLE-LID DEEP-WELL TOOLBOX

The strength and dependability you rely on and security you count on. This patented, fully foamed lid creates a rigid wall that was designed to help prevent bending or warping. The box and lid handle heavy loads and withstand the impact from dropped tools. Accompanying coated J-hooks protect your truck from scratches and make for easy installation.

### LOW PROFILE TOOLBOX

This toolbox is built two inches lower than other UWS toolboxes, providing a sleeker look and better view from the rear window of your truck. Available with a secure paddle lock.

### CHEVROLET ACCESSORIES STATIONARY TOOLBOX

Capable of handling several hundred pounds of storage, this toolbox features a removable sliding tray and a rubber mat. The dual gas shocks ensure a smooth open and close. It's easy to install, mounting securely to the truck bed without the need for drilling.

### GULLWING TOOLBOX

This toolbox combines convenience and security with half-box access. An innovative connecting rod enclosure helps prevent the box contents from bending or jamming the locking system. With a slight pull, the self-closing struts automatically shut the lid and secure the toolbox. Coated J-hooks provide your truck protection from scratches and assist in easy installation.

PART #	PART NAME	DESCRIPTION	VEHICLE	MSRP **	INSTALL TIME	UTILITY RACK COMPATIBILITY

Carrying capacity:	8.8 cu. ft./250 lbs. (Must not exceed manufacturer-specified vehicle or cargo capacity rating.)
Dimensions:	69 inches long x 19.25 inches wide x 13.5 inches tall

\* UWS, a division of Thule, provides a three-year manufacturer's warranty. For warranty details, call UWS at 800-432-4685. Equipment shown is from an independent supplier and is not covered by the Chevrolet New Vehicle Limited Warranty. Chevrolet is not responsible for the safety or quality of third-party supplier alterations.

\*\* Most Chevrolet parts and accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details.

Chevrolet Accessories sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Some vehicles are shown with equipment from an independent supplier. Chevrolet Licensed and Integrated Business Supplier Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by Chevrolet or its dealers. Chevrolet is not responsible for the safety or quality of independent supplier alterations. For installation instructions, please visit AIC and select UWS under the IBP section.
