Most Buick Parts and Accessories sold and installed on a Buick vehicle by a Buick Dealer or a Buick-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Buick Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Buick Parts sold over the counter, or those not requiring installation, will continue to receive the standard Buick Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Buick warranties do not apply to Associated Accessories. See your dealer for details.

¹ Use only GM-approved tire and wheel combinations. See Buick.com/accessories for important wheel and tire information or see your dealer.
