2019 BUICK ACCESSORIES

PRICING EFFECTIVE APRIL 1, 2019.

This is a Buick-to-Dealer communication and not intended for advertising purposes.

This Buick Accessories Reference Catalog features hundreds of accessories that are designed, engineered, tested and backed by Buick. An additional offering of Associated Accessories is also available from renowned manufacturers, including Thule®, Lund®, CURT™ Group and others. The Associated Accessories symbol  denotes that the accessory is engineered and sourced by third-party companies, each with its own individual warranty coverage. Together, they're a great fit for Buick vehicles and Buick owners' lifestyles.

 Some accessories shown are from an independent supplier. GM Licensed and Integrated Business Partner Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

Product specifications, descriptions, and information were correct at the time this catalog was published. Buick reserves the right to improve, discontinue, or change any part of the copy, photography, information, pricing or parts without notice. Buick Accessories is committed to improving this dealer reference tool, and we welcome your comments and suggestions. For more information regarding these vehicles or the accessories of other vehicles that have been discontinued after the 2016 model year, please visit the Accessory Information Center found in GM GlobalConnect under the GM-EPIC application. GM Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers.

GET A JUMP ON BATTERY ISSUES

WITH LIGHTWEIGHT, POWERFUL BATTERY BOOSTERS FROM NOCO®¹

The Genius Boost Jump Starters are portable lithium-ion battery jump starter packs featuring patented safety technology that provides spark-proof connections and reverse polarity protection.

They are lightweight and can double as a portable power source for recharging USB devices, including smartphones and tablets. The GB150 model features an integrated digital voltmeter to help track down the source of a no-start condition. Batteries showing 12.7-12.8 volts are good to go, allowing you to trace starter, alternator or battery cable issues instead.

Available in GB40, GB70 and GB150 versions, they feature an LED flashlight with seven light modes, including SOS and Emergency Strobe, and deliver multiple jump starts on a single charge, helping to provide safe motoring for you and your loved ones.
