Most GMC Parts and Accessories sold and installed on a GMC vehicle by a GMC Dealer or a GMC-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered by the applicable limited warranty. If GMC Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. GMC Parts sold over the counter, or those not requiring installation, will continue to receive the standard GM Dealer Parts Limited Warranty of 12 months from the date of purchase, parts only, regardless of miles. GMC warranties do not apply to Associated Accessories. See your dealer for details.
