STRONG PERSONALIZATION.

Silverado is the truck built on a legacy of dependability and strength – and only Chevrolet Accessories can provide you personalization options that are completely in tune with the engineering and design standards set forth by this legendary nameplate. Choose from a wide selection of bed products, floor liners, assist steps and cargo carriers to fit your lifestyle. Take things even further with parts from Chevrolet Performance that offer durability and innovative technology for more power and control.

Whatever you choose, you can be confident you're getting personalization that has been perfected for Silverado, with many accessories and parts that have been designed, engineered, tested and backed by Chevrolet.

Start making Silverado your own today at chevrolet.com/accessories, which offers a convenient way to shop, select and ship thousands of choices.

ACCESSORIES

On the Cover: 2019 Chevrolet Silverado RST Off-Road Concept shown. Not for sale.

GM reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, features, specifications, models, accessories and availability. The Silverado Accessories Brochure features accessories that are designed, engineered, tested and backed by Chevrolet.

An additional offering of Associated Accessories is also available which are engineered, tested and backed by third-party manufacturers. The Associated Accessories symbol  denotes that the accessory is engineered and sourced by third-party companies, each with its own individual warranty coverage.

Vehicles equipped with Chevrolet Performance Parts may not meet Federal Motor Vehicle Safety Standards and emissions regulations and should not be operated on public roads. Chevrolet Performance customers are responsible for ensuring their use of Chevrolet Performance Parts complies with applicable federal, state, and local laws, regulations, and ordinances. Many parts intended for racing or other off-highway use are not designed or tested for crash-worthiness or to meet the safety needs of the motoring public, and may adversely affect the original intended performance or handling characteristics of the vehicle. These parts are designed and intended to be used with experts supervising their installation and use, to help assure the proper and safe operation of the vehicle. Chevrolet Performance Parts not requiring installation or purchased over the counter carry a 12-month limited warranty on parts only.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.

Cold Air Intake System

Upgrade the performance and look of your Silverado with a Chevrolet Performance Cold Air Intake System. This system reduces air intake restriction by up to 17% for 6.2L and up to 13% for 5.3L applications. It features a high efficiency dry media filter, a 98mm outer diameter intake tube, and a matching, dealer-installed MAF calibration for optimal performance. Rigorously tested for durability, corrosion and performance, this system is 50-state legal and will not void the New Vehicle Limited Warranty. 5.3L version pictured.

- 5.3L Cold Air Intake System, P/N 84789792. MSRP¹: \$625.
 - 6.2L Cold Air Intake System, P/N 84789794. MSRP¹: \$625.
- This part has been granted an Executive Order from the California Air Resources Board. E.O. D-126-53 (2020).

Brake Upgrade System

For braking by the numbers, the Chevrolet Performance Brake Upgrade System simply adds up. The system centers around 410mm x 32mm (16.1-inch x 1.3-inch) Duralife™ rotors that feature a 22% increase in rotor area over stock rotors, with a hardened surface to help reduce corrosion and vibration. Brake pad area is increased by 89% over stock for increased system thermal capacity. Coupled with Bright Red Chevrolet Performance Brembo® 6-piston fixed aluminum calipers and matching Bright Red rear calipers, this upgrade system means serious business.

Front Brake Upgrade System, P/N 84766666. MSRP³: \$2,895.

Rear Brake Upgrade System, P/N 84434801. MSRP³: \$575.

On the Cover: 2020 Silverado 2500 HD shown.

GM reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, features, specifications, models, accessories and availability. The Silverado Accessories Brochure features accessories that are designed, engineered, tested and backed by Chevrolet. An additional offering of Associated Accessories is also available which are engineered, tested and backed by third-party manufacturers. The Associated Accessories symbol denotes that the accessory is engineered and sourced by third-party companies, each with its own individual warranty coverage.

Printed in October 2019.

⁵ Non-GM warranty. Limited warranty by CURT[™] Group, 10 years. For more information, contact your dealer. Associated Accessory. Non-GM part.

Cold Weather Steering Hose Upgrade Kit

Designed for truck owners who operate in the coldest and most demanding arctic winter environments, the Extreme Cold Weather Power Steering Hose Upgrade Kit offers enhanced protection against power steering system leaks under cold start conditions. Extensively validated at -40 °C temperatures, the Extreme Cold Weather Power Steering Hose Upgrade Kit was impulse tested after an 8-hour temperature soak for more than 20,000 cycles. In addition to extreme cold, the kit also passed validation during high temperature burst tests at 150 °C. The package contains both Booster Inlet and Gear Inlet hoses and is compatible with, and recommended for use with, GM Pentosin Steering Fluid.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.
