Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following:

a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.

<sup>1</sup> Use only GM-approved tire and wheel combinations. See [Chevrolet.com/accessories](https://www.chevrolet.com/accessories) for important wheel and tire information or see your dealer.

<sup>2</sup> Manufacturer's Suggested Retail Price. Tax and installation extra. See dealer for details.
