Product specifications, descriptions and information were correct at the time this catalog was published. Buick reserves the right to improve, discontinue or change any part of the copy, photography, information, pricing or parts without notice. This is a Buick-to-Dealer communication and not intended for advertising purposes.

Most Buick Parts and Accessories sold and installed on a Buick vehicle by a Buick Dealer or a Buick-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Limited Warranty. If Buick Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Buick Parts sold over the counter, or those not requiring installation, will continue to receive the standard GM Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Does not apply to Associated Accessories. See your dealer for details.

Some vehicles are shown with equipment from an independent supplier. Buick Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

Pictured gears and supplies not included.
