ACCESSORIES REFERENCE CATALOG

This is a Cadillac-to-Dealer communication and not intended for advertising purposes.

Pricing valid through December 1, 2020 and subject to change. Contact your local dealership or visit Cadillac.com/accessories for current pricing.

XT6 shown with Front Door Puddle Light Kit with Cadillac Logo
Projection and Bodyside Moldings in Gloss Black.

This Cadillac Accessories Reference Catalog features hundreds of accessories that are designed, engineered, tested and backed by Cadillac. An additional offering of Associated Accessories is also available from renowned manufacturers, including Thule, Lund, CURT™ Group and others. The Associated Accessories symbol  denotes that the accessory is engineered and sourced by third-party companies, each with its own individual warranty coverage. Together, they're a great fit for Cadillac vehicles and Cadillac owners' lifestyles.

 Some accessories shown are from an independent supplier. GM Licensed and Integrated Business Partner Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

Product specifications, descriptions, and information were correct at the time this catalog was published. Cadillac reserves the right to improve, discontinue, or change any part of the copy, photography, information, pricing or parts without notice. Cadillac Accessories is committed to improving this dealer reference tool, and we welcome your comments and suggestions. For more information regarding these vehicles or the accessories of other vehicles that have been discontinued after the 2016 model year, please visit the Accessory Information Center found in GM GlobalConnect under the GM-EPIC application. GM Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers.

GET A JUMP ON BATTERY ISSUES

WITH LIGHTWEIGHT, POWERFUL BATTERY BOOSTERS FROM NOCO®¹

Dead vehicle batteries are no longer a problem, thanks to Genius Boost Jump Starters from NOCO®¹. These portable lithium-ion battery jump starter packs feature patented safety technology that provides spark-proof connections and reverse polarity protection, making them safe and easy for anyone to use.

If you need a professional tool to help you understand the problem, you can turn to the NOCO GB150 with the integrated voltmeter. There is a myriad

of reasons why your vehicle may not start, with a built-in digital voltmeter, you can quickly determine if it's a discharged battery or something else.

They are lightweight, weighing as little as 2.3 pounds, and can double as a portable power source for recharging USB devices, including smartphones and tablets. The GB150 model features an integrated digital voltmeter to help track down the source of a no-start condition. Batteries showing 12.7-12.8 volts are good to go, allowing you to

trace starter, alternator or battery cable issues instead.

Depending on the model, you can also power 12-volt devices, such as tire inflators and power inverters. Available in GB40, GB70 and GB150 versions, they feature an LED flashlight with seven light modes, including SOS and Emergency Strobe and deliver multiple jump starts on a single charge, helping to provide safe motoring for you and your loved ones.

Product specifications, descriptions and information were correct at the time this catalog was published. Cadillac reserves the right to improve, discontinue or change any part of the copy, photography, information, pricing, parts or accessories without notice. This is a Cadillac-to-Dealer communication and not intended for advertising purposes.

Most Cadillac Parts and Accessories sold and installed on a Cadillac vehicle by a Cadillac Dealer or a Cadillac-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Cadillac Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Cadillac Parts sold over the counter, or those not requiring installation, will continue to receive the standard GM Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Does not apply to Associated Accessories. See your dealer for details.

Some vehicles are shown with equipment from an independent supplier. Cadillac Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.
