

ALL-AROUND SOUND WHEREVER YOU ROAM.

Bongiovi Headphones are the sound solution for active lifestyles. Much more than a wireless in-vehicle headphone set alone, they include adapters to travel wherever you go — and they offer optimum audio in a variety of environments.

REAL-TIME DIGITAL REMASTERING AND ACTIVE NOISE CANCELING

Bongiovi's patented, award-winning Digital Power Station™ (DPS) signal processing digitally remasters the source material in real time. The audio signal is refined and optimized for full-bodied sound — listeners hear more of how it was recorded. For added control, the active 20-dB broad-spectrum noise canceling reduces competing ambient sound.

FEATURES

- 2-Channel IR Wireless Operation
- Lithium-Ion batteries recharge via USB cable
- Studio-quality sound in rugged, automotive-grade construction
- Comes with hard shell case, audio cable, USB charging cable and two audio jacks
