

# CHARGE EVERYTHING

## CHARGE FULLY DRAINED BATTERIES WITH SMART CHARGERS FROM NOCO®<sup>1</sup>

Say goodbye to bulky trickle chargers – now you can safely charge select Buick vehicles with a NOCO® Genius Charger. Compact and rugged, these portable automatic battery chargers and maintainers are specially designed to energize 6V, 12V and 24V lead-acid and lithium-ion batteries. NOCO® intelligent battery maintenance technology monitors battery activity and helps reduce risk of battery overcharging, which can decrease battery life.

NOCO® Genius Chargers feature patented safety technology that provides spark-proof connections and reverse polarity protection. With the push of a button, you'll have the ability to switch between various charging modes. It's as simple as connecting the charger to the vehicle's battery, select the mode and leaving the battery to charge. Once the vehicle's battery is fully charged, the indicator will glow green and the unit will stop charging. All that's left to do is detach the Genius Charger and go.

Available in G3500, G7200 and G15000 models, NOCO® Genius Chargers have the easy-to-use features you need to keep vehicle batteries fully charged; with the G15000 Genius Charger adding battery jump charge capability.

- Keeps the battery fully charged indefinitely without over-charging
- Stabilizes internal battery chemistry for increased performance and longevity
- Intuitive visual diagnostic tool for detecting reverse polarity, low-voltage or damaged batteries
- Dirt, water, UV, impact and crush-resistant

### WHAT'S IN THE BOX:

- Smart Charger
- Battery Clamp Connectors with Integrated Eyelets
- User Guide and Information Guide & Warranty

Part #	Model	Battery Capacity	Battery Voltages	Integrated Jump Charge	MSRP <sup>2</sup>
