

CUT THE (ELECTRICAL) CORD

ONBOARD VACUUM CLEANING SYSTEM MAKES IT EASY TO CLEAN YOUR SUV

Cleaning your Tahoe and Suburban just got a whole lot easier and more convenient, thanks to the Onboard Vacuum Cleaning System from Shop-Vac®. This integrated, self-contained system eliminates the need to deal with a bothersome electrical cord or to transport a bulky and cumbersome vacuum cleaner. As long as the vehicle is in Park, you can clean up messy dry spills by simply using the Onboard Vacuum Cleaning System located in the back of your vehicle's center console. It includes multiple hose-end tools to clean up various vehicle surfaces and an easily removable collection bag for optimal convenience and performance. It stores out of the way when not in use. There's no better way to keep your vehicle's interior showroom-new.

- Convenient one-handed operation
- Multiple attachments to clean crevices and various surfaces
- Integrated design ensures center console features remain unaffected
- Eliminates need to lug vacuum cleaner and electrical cord to vehicle
- Functions with vehicle on or off, as long as it's in Park
- Hose is capable of reaching all areas of the vehicle (stretches to 12 feet)
- Replacement collection bags available from Shop-Vac at (877) 236-5750 or shopvacauto.com
