

# RETRACTABLE TONNEAU COVERS

## EXPANDED POSSIBILITIES

The Embark Power Max version also includes an integrated LED cargo lamp, a wireless key fob remote transmitter for individual operation of the cover and lamp, and a complete wiring harness.

### EMBARK POLY, EMBARK MAX AND EMBARK POWER MAX TONNEAU COVER SERIES BY ADVANTAGE®

With three versatile configurations ready for work or play, the Embark Poly, Embark Max and Embark Power Max Tonneau Cover series by Advantage®<sup>1</sup> make any selection a great choice for Sierra and Canyon pickups. Available in strong polycarbonate, Embark Poly offers a 200-pound weight rating. Embark Max and Embark Power Max feature aluminum construction with a 400-pound weight rating. The Embark Poly and Embark Max feature manual opening and closing, using a unique spiral track system to contain or deploy the cover. Power Max offers wireless remote operation of both the cover and the included LED cargo lamp from a compact key fob transmitter.

Vehicles shown with accessories from an independent supplier which are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent accessories. Any warranty is provided by the accessory manufacturer.

1  Non-GM warranty. Limited warranty by Advantage® 5 years. For more information, contact your dealer.

# THREE WAYS TO KEEP CARGO UNDER WRAPS

## CHECK OUT THE FEATURES THAT MAKE EVERY CHOICE GREAT:

- A compact housing featuring a unique spiral track system that helps prevent the cover from contacting itself as it retracts, reducing wear
- A UV-treated surface for sun protection
- An automotive-grade weatherstrip that overlaps the top of the tailgate
- A lockable design that enhances cargo security and can be latched or locked with the key in any position along the rail
- A flush-mounted lock handle that provides easy-access operation
- The Embark Power Max includes an integrated LED cargo lamp and features:
  - Remote operation of the cover and LED cargo lamp using an included wireless remote key fob transmitter
  - The required wiring harness
