Bed Mat/Tailgate Mat

BEDLINER, BED MAT AND TAILGATE MAT FOR GMC SIERRA AND CANYON BY BEDRUG™

Bedliner

For the ultimate in innovative and unique truck bedliners, choose the BedRug™¹ Bedliner. It offers the look and comfort of carpet in ultra-tough 100% polypropylene (essentially plastic) construction while protecting the truck bed from impact dings and damage. It stands up to the most harsh conditions owners can throw at it – from gravel to battery acid — and still protects precious cargo and your knees!

- Molded to fit specific GMC pickup models to look great and fit like a glove
- Creates a void-free surface without damaging the cargo bed and allows easy access to Original Equipment cargo tie-downs and accessories
- Non-skid surface keeps cargo in place
- A built-in hinge between the truck bed and tailgate prevents debris from collecting
- Fade- and UV-resistant foam is similar to that used in life jackets. It won't absorb water and will not mold or mildew
- Water simply runs off the surface, through the zippered perimeter and out the cargo bed's factory drain holes – drying in as little as 20 minutes
- Cleans easily with a garden hose, power washer or vacuum to look good as new
