THE PROFESSIONAL-GRADE TRAVEL COMPANIONS THAT ACTIVE LIFESTYLE GEAR DEMANDS

Thule®¹ Roof-Mounted Cargo Boxes, Baskets and Nets, and Hitch-Mounted Cargo Boxes help expand GMC owners' gear-carrying options. For the frequent traveler, it means more space inside their GMC vehicle for passengers and personal items, with luggage safely stowed out of the way. For the active family, that translates to more room for luggage, sporting goods, camping gear and more. And for the growing family, that means flexible storage space for bulky items like strollers and play yards.

One of the major benefits of Thule® products is the ability to use multiple combinations of products at once. A Roof-Mounted Cargo Box can hold bulky ski boots, ski clothing and other luggage while a Hitch-Mounted Winter Sports Rack can safely transport a family's skis and snowboards. In warmer weather, swap out the Hitch-Mounted Winter Sports Rack for a Hitch-Mounted Bike Carrier and load up the Roof-Mounted Cargo Box with camping gear.
